

# City of Palo Alto Rinconada Library

06.09.2016

The renovation of Rinconada Library preserves the historical character of the original 1958 Edward Durell Stone building and adds a new program room and group study rooms to enhance the facility as a modern library.

- **Area:** 29,968 square feet
- **Project cost:** \$22.3 million
- **Opened:** February 2015
- **LEED:** Targeting Certification

• The new site design revitalizes the relationship between the Library and adjacent Art Center.

• Sustainable aspects include recycled content materials, energy efficient systems, and stormwater management.
