

Common Issues During O&M Inspections

SCVURPPP Annual C₃ Workshop – Oct. 29, 2019
Santa Clara County Clean Water Program

Santa Clara County Clean Water Program

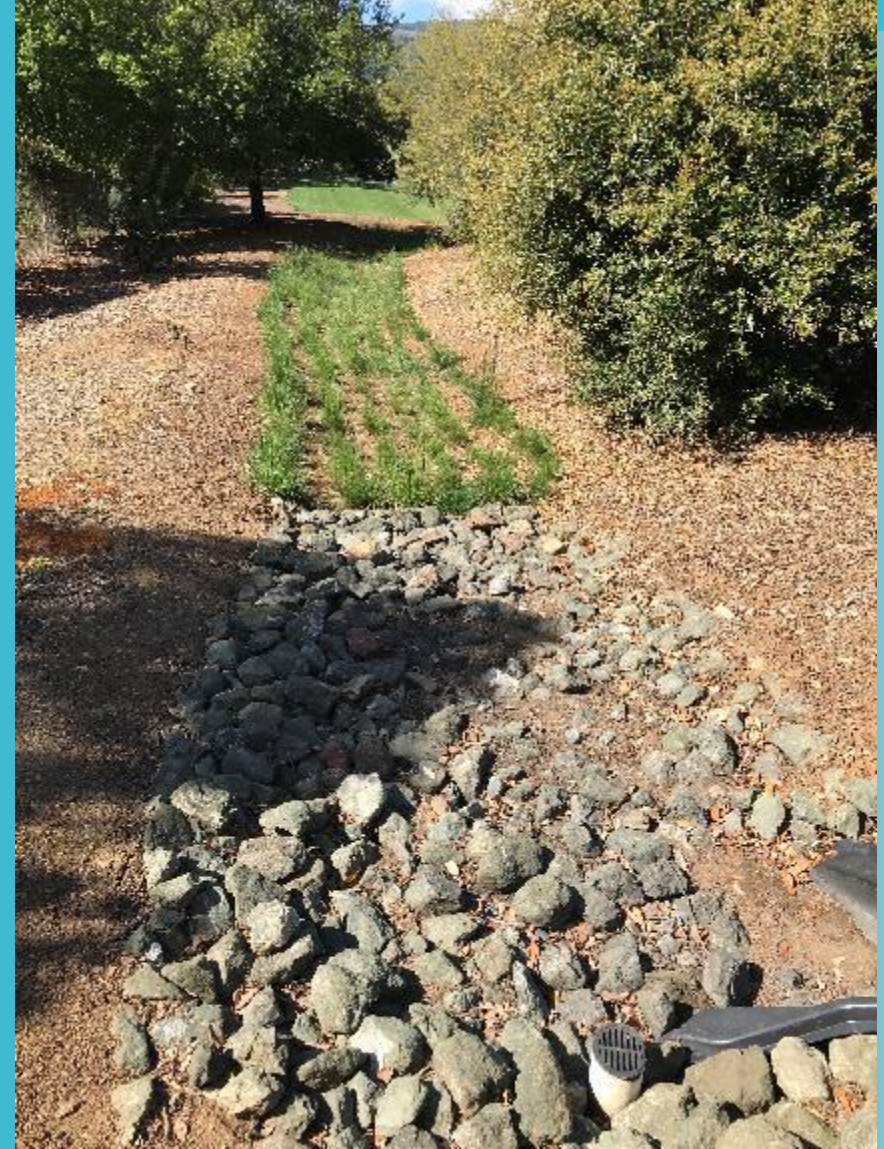

- Unincorporated County
- 2 Senior Construction Inspectors, 1 O&M Inspector
- Approx. 90 sites
 - Private Projects: Majority on Stanford University campus
 - Public Projects: Parks, expressways, hospitals, public service centers, etc.

Common Issue #1

“I had no idea it was
even there or that
we needed to
maintain it.”

Remove debris
& replant

Common Issue #2

Mulch
migration &
plant health

Ongoing monitoring and maintenance

Common Issue #3

Treatment
systems
located in
public spaces

Addition of
mulch and
replant

Common Issue #4

Erosion

Addition of
rocks to prevent
erosion

Common Issue #4

Trash

Have staff add
trash pick up to
maintenance
routine
