Very Useful 34

Somewhat Useful 3

Not Useful 0

Comments:

- Cool to compare different types
- Nice field example

3. Inlet Protection – Dan Toda, Reed & Graham, Inc.

Very Useful 36

Somewhat Useful 1

Not Useful 0

Comments:

- Liked the examples
- Good
- Presentation was great

4. Did this training meet your expectations?

Yes: 36

No: 0

5. What parts of the training were most useful to you?

- All (9)
- Erosion (9)
- Pros and cons of different products
- Knowledgeable trainers
- The BMPs and how to install them

6. What would have made this training more useful?

- More time
- Have class before winter instead of summer
- Apply more to dirt landscapes and less pavement

7. What topics would you recommend for a future training?

- QSP-related topics in depth
- Same training again
- New products
- Vegetation and seeding on a hillside
- More road specific BMPs, potholes, road edge, etc.
- More erosion control BMPs
- Maintenance and clean out of BMPs overtime

8. General Comments

- Very helpful
- Thank you
- Good training
- Very useful overall
