

**Rural Roads Maintenance BMP Training
Evaluation Summary**

**Number of Evaluations: 43
Number of Attendees: 49**

Session #2: Wednesday, May 11, 2022, 12:00pm – 1:30 pm

Lake Cunningham Regional Park, Cypress Pavilion 2305 S White Road, San Jose

1. Erosion Controls – Colin Ewart, Filtrexx

Very Useful 40 Somewhat Useful 2 Not Useful 1

Comments:

- Well informed (2)
- Could be good to show how to properly trench the straw wattles
- Fun learning experience
- A lot of our BMPs have been updated – we learned how we get better protection if we install them correctly
- Clear instructions
- Good start to the class
- Extremely informational and will translate well for work at Airports and Roads

2. Check Dams – Peter Schultze-Allen, Program Staff

Very Useful 38 Somewhat Useful 4 Not Useful 1

Comments:

- We’ve been using incorrect devices – thanks for the information
- Well taught – we will use this information
- I didn’t see a big difference between the straw and compost socks

3. Inlet Protection – Dan Toda, Reed & Graham, Inc.

Very Useful 39 Somewhat Useful 3 Not Useful 1

Comments:

- New to information and useful
- I liked how he showed the progression of treatment

4. Did this training meet your expectations? Yes: 42 No: 1

5. What parts of the training were most useful to you?

- Check Dams
- Erosion Control (5)
- All (3)
- Better demonstrations
- More hands-on (7)
- Perfect (2)
- More time (2)

6. What would have made this training more useful?
 - Handouts
 - More information (5)
 - SWPPPs and QSD-QSP requirements
 - Ways to prevent erosion
 - Perfect as is (2)
 - More time (2)
 - Shorter time

7. What topics would you recommend for a future training?
 - All of them (3)
 - How to set up BMPs
 - Hands-on training (2)
 - Perfect (3)
 - Application at a specific site/ catch basin
 - Native plant landscaping techniques as to clean out

8. General Comments
 - Very good instructions (2)
 - Could do training at Alum Rock Park
 - Thanks (6)
 - Lots of useful information
 - Good seminar (2)
 - From here forward we will use correct devices – thank you
 - More training
 - Same class 3 times
